sweet
potato

A cartoon illustration of a sweet potato, rendered in a reddish-brown color with a black outline. The sweet potato is elongated and slightly curved, with several small black dots scattered across its surface to represent texture. The words "sweet" and "potato" are written in a white, rounded, sans-serif font with a black outline, positioned in the center of the sweet potato.

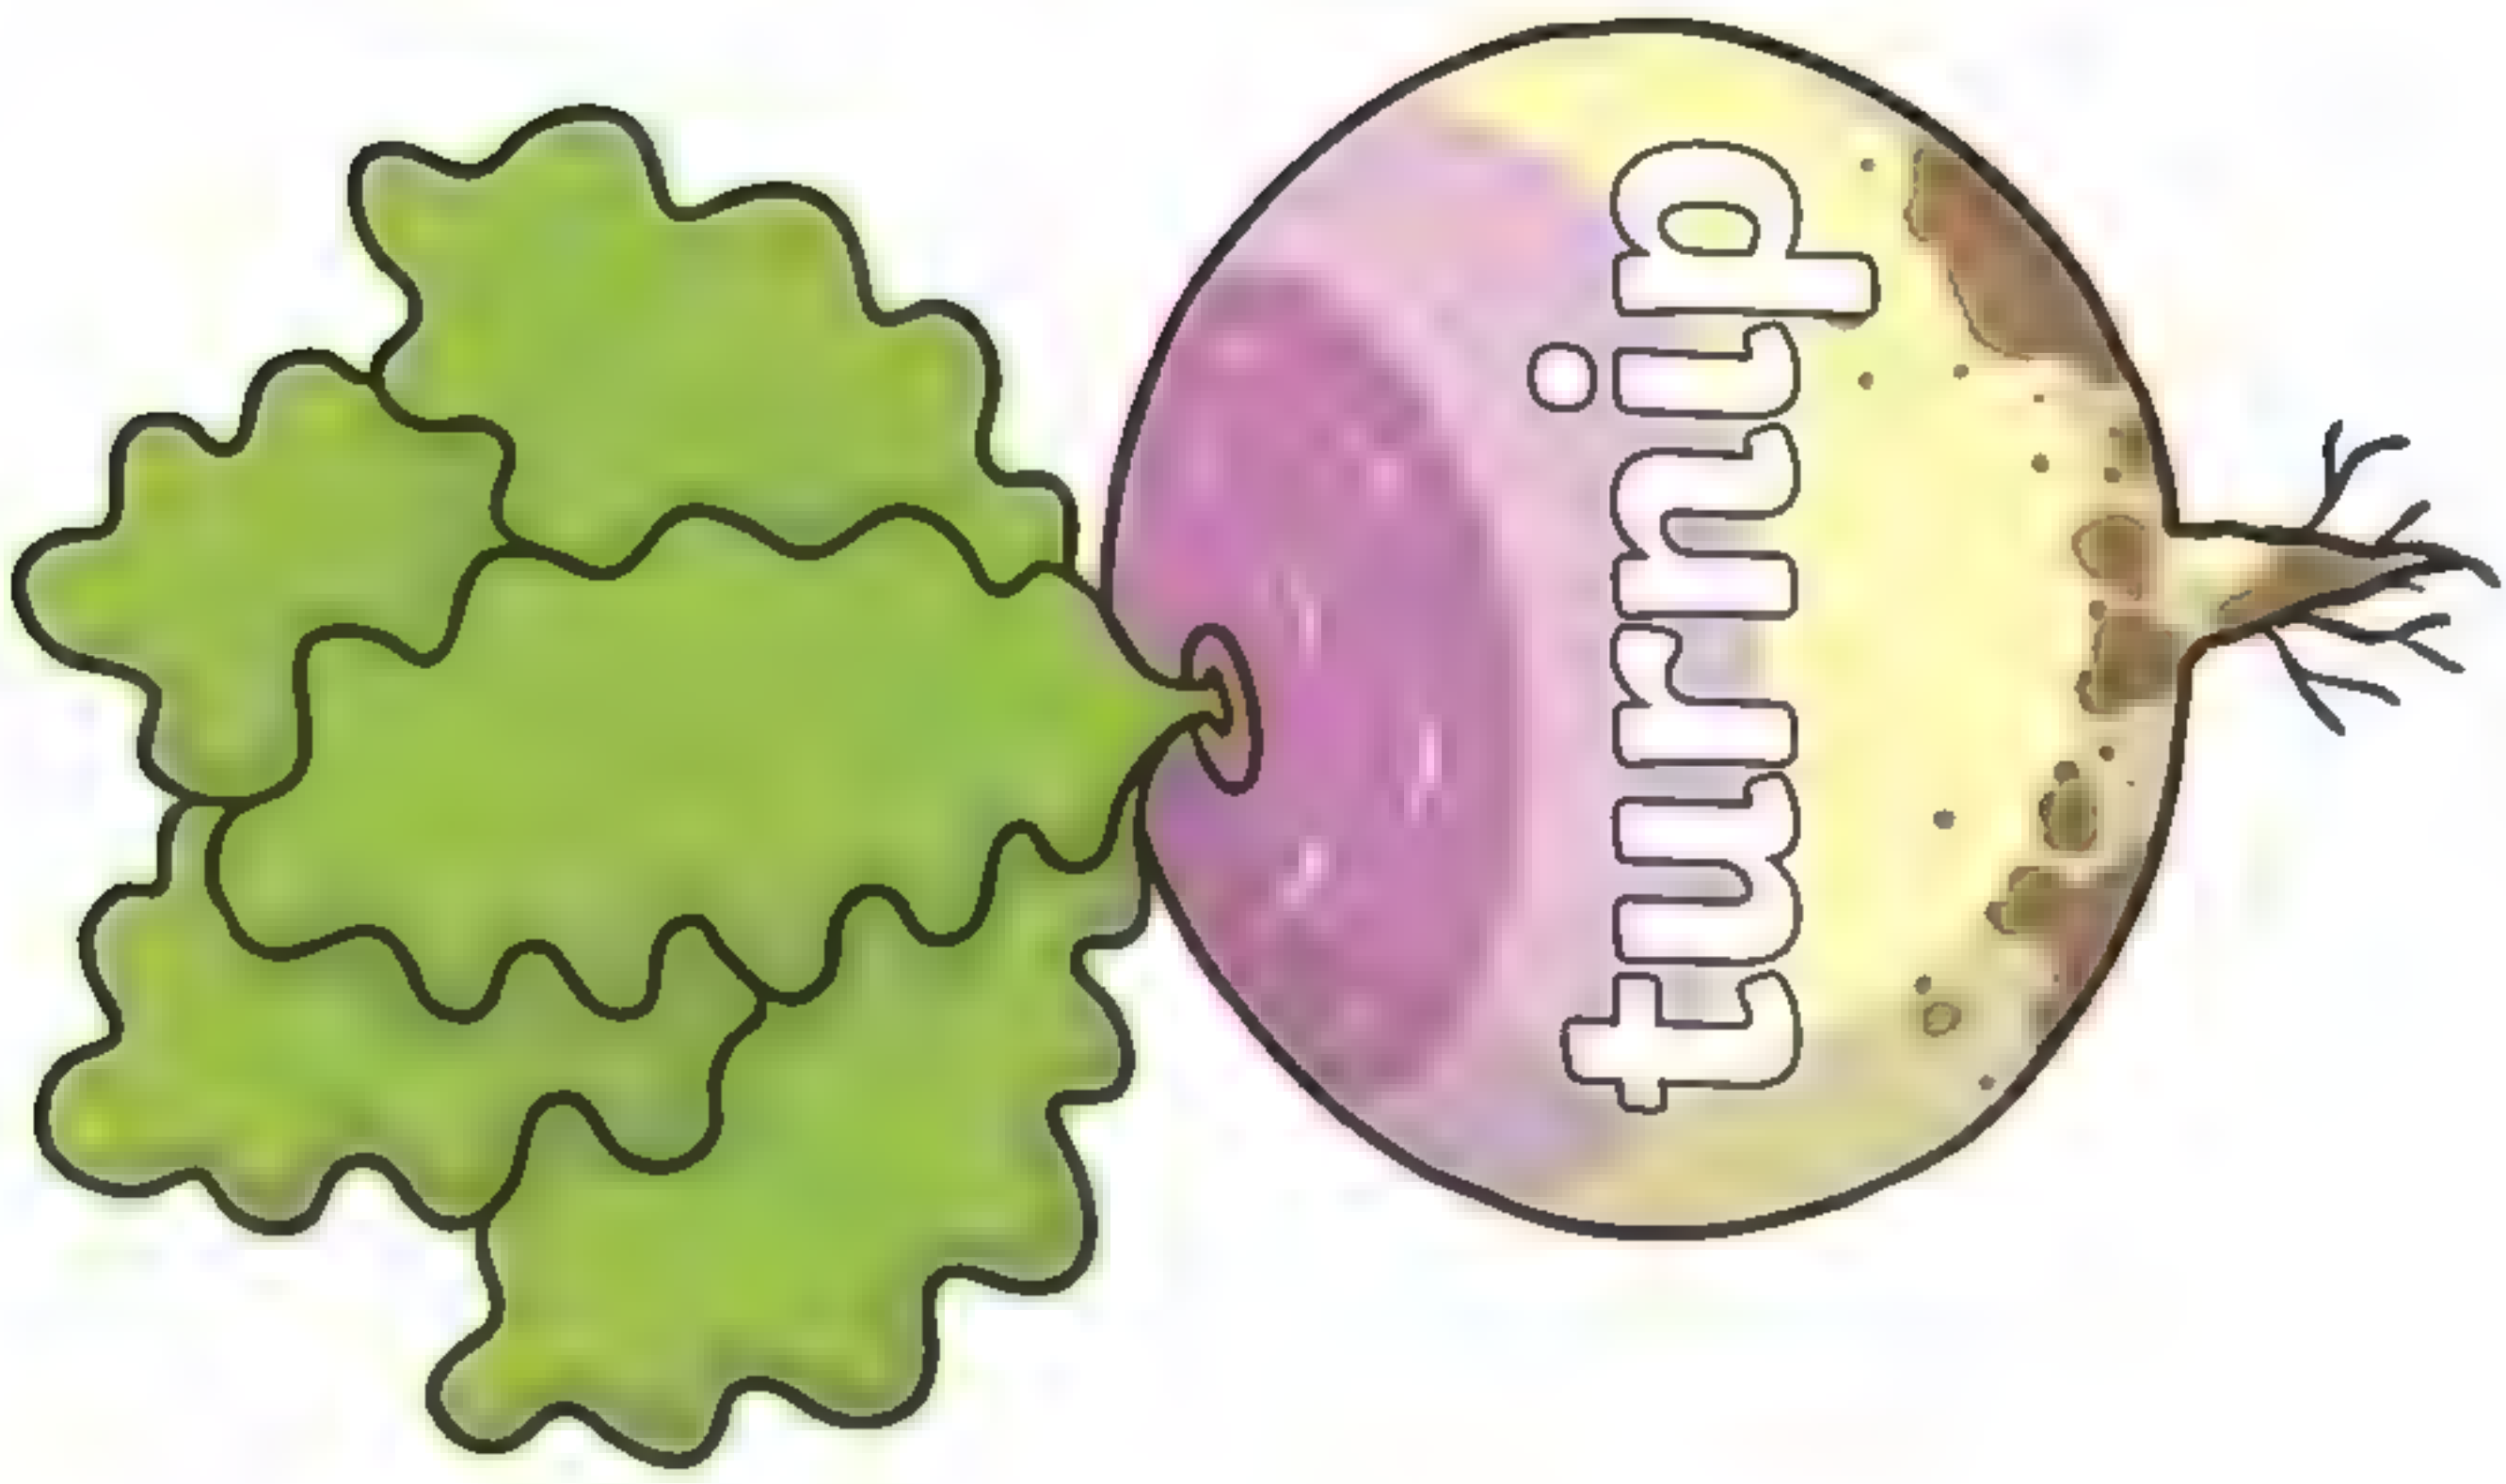

A realistic illustration of a single potato, showing its characteristic brown, slightly wrinkled skin and irregular, oval shape. The potato is centered against a plain white background. The word "potato" is written across the middle of the potato in a white, rounded, sans-serif font with a thin black outline.
